

# Artisan- Lacquered

Birch throughout plywood with 2 clean plug free faces

## Why use Artisan Lacquered?

- Durable and decorative surface
- Naturally, attractive appearance
- Pre-finished for time and cost savings
- Resistant to common chemicals & surface impacts
- Easy to clean and maintain
- Protective peel off covering both sides

Sustainably source timber with FSC certification

## Cleaning

- Avoid using abrasive or polishing products. Instead, choose gentle, non-abrasive cleaning agents and soft tools. After cleaning, always dry the surface thoroughly with a clean, dry cloth to prevent streaks or stains from leftover cleaning residue.
- Avoid excessive use of water on coated surfaces. Always test any cleaning product on a small, hidden area first to ensure compatibility.

Thickness (mm)	Grade	Size	Glue	Certification	Finish	Number of Plies	Length Tolerance	Width Tolerance	Thickness Tolerance	Edge straightness
9	B/BB plug free	2440 x 1220	EN314/ Class 3 Exterior	FSC	UV Lacquer (2 coats) 20% sheet	7	+/- 3mm	+/- 2mm	+/-0.2mm	+/- 1%
12	B/BB plug free	2440 x 1220	EN314/ Class 3 Exterior	FSC	UV Lacquer (2 coats) 20% Sheen	8	+/- 3mm	+/- 2mm	+/-0.5mm	+/- 1%
18	B/BB plug free	2440 x 1220	EN314/ Class 3 Exterior	FSC	UV Lacquer (2 coats) 20% sheen	13	+/- 3mm	+/- 2mm	+/-1mm	+/- 1%
