

Unique Designed Panels Crafted By

DOUBLE DECOR

Matchboard are excited to introduce their latest product in their decorative wall panelling range. Known as the Double Decor this range comprises of a choice of wood veneers applied to black MDF and can be routed with a choice of grooves or designs to create a modern alternative wall panel, easily installed to transform any residential or commercial space.

The natural wood characteristics of the veneer compliment a range of interior styles offering a warm and sophisticated high end look. Currently stocking Oak on Black as shown, alternative veneers on black MDF backgrounds will soon be available.

Use single panels of our Double Decor to create a 'designer-look' surround to a fire place, TV or bed headboard or cover an entire wall for a stunning contemporary statement.

An ideal option for original and unconventional internal decorative solutions.

From traditional elegance to clean contemporary finishes, Matchboard allows you to create beautiful, professional and stylish results quickly and efficiently every time.
