

High Quality Veneered MDF FSC®

STREven®

STREven® is a high quality FSC® certified range of veneered MDF products, combining popular ex stock veneer ranges with a quick turnaround individual service for specialist requirements, from large scale projects down to just a few boards.

Features and Benefits

- All products made from UK sourced high quality MDF substrate
- FSC® chain of custody certification for all core and face products
- Mid-size packs, with protective packaging and integrated bearers, ideal for merchant stockists
- Wide range of Oak, Black Walnut and Ash options available from stock
- Other veneers including Cherry, Steamed Beech and Maple also available
- Full bespoke special products service with quick order turnaround
- Real wood edging tape available to match all ex stock veneer species
